

Total Alliance Program A home Service Guide

Moving into a new home, or perhaps a new town, requires finding new businesses to provide goods and services for your new home.

Our Total Alliance program can help reduce the stress of this process by recommending reputable companies you can trust. We have pre-screened and hand picked a select group of business in the local community who are dedicated to providing you with professional, quality service. These Alliance partners are committed to abide by a high standard of services and to offer the very best value.

I pride myself on customer service, and hope you will take advantage of these fine merchants. It is just another way of expressing our appreciation for you selecting The Georgette Willis Team as your agent of choice. I want to be your REALTOR for life!
